I am writing to confirm that Amy has been with Lincolnshire Partnership Foundation NHS Trust since September 2018.

She worked 1579 hours with us from September 2018 to June 2020 for the agency.

She has been working on Bank with us, as a PWP since June 2020 and has done 1234 hours with us there to date.

Amy currently works as a PWP with S2C IAPT Service. Her role includes:

Assessing patient's difficulties, conducting herself in a professional manner and providing a provisional diagnosis in order to inform treatment.

Conducting regular risk assessments with a view to ensuring the safety of our patients and others, taking steps to manage risk when needed.

Liaising with other teams in order to facilitate the stepped care approach

Signposting to other organisations when appropriate.

Using our computer system and recording notes in a timely, professional manner.

Collecting data required by the service.

Preparing for and engaging with clinical supervision and caseload management.

Implementing the outcome of discussions in supervision.

Providing treatment using a CBT approach to treat anxiety and depression, on occasion, working with comorbid conditions, whilst adhering to the boundaries of her role.

Being aware of legislation and the ethical implications of working with people with mental health difficulties.
